Fill in the Solfege!

C-Major Scale with Solfege

Instructions

Use the C-major scale “solfege” shown above to help you fill in the solfege to the song “Star-Spangled Banner” provided on the next page. Identify the correct letter name for each note and then fill in the corresponding solfege. Some of the solfege has been provided for you.

Once you have completed the task, try singing the song using the solfege instead of the lyrics!
